Warbirds and Classics Over the Midwest is held at Wellnitz field in Fond du Lac, WI. This annual, 3-day event is limited to giant scale warbirds, pre-1960 giant scale classic aircraft, and scale turbine jets with military markings.

In 2013, over 150 pilots from across the USA and Canada thrilled over 3,000 spectators with more than 300 of the finest scale aircraft in the world.

On Sunday the event is open to any fixed-wing aircraft, making the event a total of 4 fun-filled days!

Warbirds and Classics Over the Midwest has been featured in Fly RC Magazine and was broadcast live on Fox TV from Green Bay, WI. Live radio coverage and full time announcing is also provided.

Pizza is available at the field on Thursday evening along with a catered pilots' dinner on Saturday. A 4,000 square foot storage tent is provided for storing the pilots' planes.

The large vendor area with great pilot and spectator visibility will accommodate nearly any size booth.
