Vendor Information

There is plenty of space for your company to come and show off its products and services. The event attracts over 3,000 local spectators as well as aviation enthusiasts from around the United States & Canada.

Sponsor Information

Warbirds and Classics Over the Midwest is fast becoming one of the largest events of its kind in the midwest. Your sponsorship will get the recognition it deserves from the 150+ pilots and 3,000+ spectators attending the event. Whether your company is in the R/C business or not, this is a great way to get visibility to potential customers.

Warbirds and Classics Over the Midwest
Aug 17-20, 2017

Fond du Lac, WI

www.MidwestWarbirds.com

Warbirds and Classics Over the Midwest is held at Wellnitz field in Fond du Lac, WI. This annual, 3-day event is limited to giant scale models of actual warbirds (80" monoplane, 60" Biplane), pre-1960 classic giant scale aircraft, and any size true turbine jets, perceived to be military with military markings.

In 2015, over 150 pilots from across the USA and Canada thrilled over 3,000 spectators with more than 300 of the finest scale aircraft in the world.

On Sunday the event is open to any fixed-wing aircraft, making the event a total of 4 fun-filled days!

Warbirds and Classics Over the Midwest has been featured in Fly RC Magazine and was broadcast live on Fox TV from Green Bay, WI. Live radio coverage and full time announcing is also provided.

Pizza is available at the field on Thursday evening along with a catered pilots' dinner on Saturday. A 4,000 square foot storage tent is provided for storing the pilots' planes.

The large vendor area with great pilot and spectator visibility will accommodate nearly any size booth.

Please join us this year for Warbirds and Classics Over the Midwest!
